

IDWeek 2019
October 2-6, 2019
Walter E. Washington Convention Center
Washington DC

Tuesday, October 1, 2019

Pre-Meeting Workshop: Best Practices for Antimicrobial Stewardship Programs

Presenter: Rebekah Wrenn

Presentation: Penicillin Allergy Assessment and Interventions

Session Time: 1:15pm-1:40pm

Session Location: Room 207 AB

Wednesday, October 2, 2019

Thursday, October 3, 2019

Presenter: Ibukun Akinboyo

Presentation Title: Burden of Healthcare Associated Infections among Hospitalized Infants within Community Hospitals (poster)

Session: HAI: Pediatric

Session Date: Thursday, October 3, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Arthur Baker

Presentation Title: Use of Dual Statistical Process Control Charts for Early Detection of Surgical Site Infection Outbreaks at a Community Hospital Network (oral presentation)

Session: Surveillance in Healthcare-associated Infections

Session Date: Thursday, October 3, 2019

Session Time: 11:15am-11:30am

Session Location: Room 147

Presenter: David Laurent

Presentation Title: Comparison of Initial Vancomycin Costs and Target Attainment Between Trough- and 24-Hour Area Under the Concentration-Time Curve (AUC₂₄)-Guided Dosing (poster)

Session: What's New in Clinical Practice

Session Date: Thursday, October 3, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Jessica Seidelman
Presentation Title: Infection in VADers: a true villain of the Force (poster)
Session: Bacteremia, CLABSI, and Endovascular Infections
Session Date: Thursday, October 3, 2019
Session Time: 12:15pm-1:30pm
Session Location: Hall B+C

Presenter: Tiachen Sheng
Presentation Title: Skin and Soft Tissue Infections are a Common Reason for Potentially Inappropriate Antimicrobial Use among Inpatients in Sri Lanka (poster)
Session: Soft Tissue and Skin Infections
Session Date: Thursday, October 3, 2019
Session Time: 12:15pm-1:30pm
Session Location: Hall B+C

Presenter: Nicholas Turner
Presentation Title: Implications of *C. difficile* Treatment on Environmental Contamination: A Randomized Controlled Trial with Microbiologic, Environmental, and Molecular Outcomes (oral presentation)
Session: *Clostridium difficile*
Session Date: Thursday, October 3, 2019
Session Time: 2:45pm-3:00pm
Session Location: Room 144

Friday, October 4, 2019

Presenter: Elizabeth Dodds Ashley
Presentation Title: Electronic Assessment of Empiric Antibiotic Prescribing Using Diagnosis Codes (poster)
Session: Antibiotic Stewardship: Antibiotic Utilization
Session Date: Friday, October 4, 2019
Session Time: 12:15pm-1:30pm
Session Location: Hall B+C

Presenter: Arthur Baker
Presentation Title: Epidemiology of Invasive *Mycoplasma* and *Ureaplasma* Infections Early after Lung Transplantation (poster)
Session: Transplant ID: Viral, *Mycoplasma*/*Ureaplasma* Infections
Session Date: Friday, October 4, 2019
Session Time: 12:15pm-1:30pm
Session Location: Hall B+C

Presenter: Jason Funaro
Presentation Title: Impact of Routine Education and Data Feedback on the Durability of an Antimicrobial Stewardship Intervention for Outpatient Urinary Tract Infections (poster)
Session: Antibiotic Stewardship: Urine Cultures
Session Date: Friday, October 4, 2019
Session Time: 12:15pm-1:30pm
Session Location: Hall B+C

Presenter: Melissa Johnson

Presentation Title: Impact of Interdisciplinary Rounds on Antimicrobial Use at a Community Hospital (poster)

Session: Antibiotic Stewardship: Interventions

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Travis Jones

Presentation Title: Do Antibiotic Choices Made in the ED Influence Inpatient Therapy? (poster)

Session: Antibiotic Stewardship: Antibiotic Utilization

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Dorothy Ling

Presentation Title: Impact of Penicillin Allergy Labels on Carbapenem Use in a Multi-Center Study (poster)

Session: Antibiotic Stewardship: Allergy Evaluation

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30 pm

Session Location: Hall B+C

Presenter: Rebekah Moehring

Presentation Title: Defining electronic patient phenotypes to inform risk-adjustment strategies in hospital antimicrobial use comparisons (poster)

Session: Antibiotic Stewardship: Antibiotic Utilization

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Rebekah Moehring

Presentation Title: Using prediction modeling to inform risk-adjustment strategy for hospital antimicrobial use: Can we predict who gets an inpatient antimicrobial? (poster)

Session: Antibiotic Stewardship: Antibiotic Utilization

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Christina Sarubbi

Presentation Title: Continuous vs Intermittent Intraoperative Infusion of Cefazolin on Surgical Site Infections (SSIs) and Acute Kidney Injury in Patients Undergoing Cardiac Procedures (poster)

Session: HAI: Surgical Site Infections

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Jessica Seidelman

Presentation Title: Title: Impact of Antibiotic Stewardship Rounds in the Intensive Care Setting: a prospective cluster-randomized crossover study (oral presentation)

Session: Stewardship Success Stories

Session Date: Friday, October 4, 2019

Session Time: 3:30pm-3:45pm

Session Location: Room 147

Presenter: Jessica Seidelman

Presentation Title: Invasive Ocular Candidiasis: Who is Really at Risk? (poster)

Session: Mycology

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Bobby Warren

Presentation Title: Environmental Contamination Characterization of Two Outpatient Clinics (poster)

Session: HAI: Environment

Session Date: Friday, October 4, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Saturday, October 5, 2019

Presenter: Angelina Davis

Presentation Title: Impact of Two-Step Testing on the Diagnosis and Management of Clostridium difficile in a Multi-Hospital Healthcare System (poster)

Session: Antibiotic Stewardship: C. difficile

Session Date: Saturday, October 5, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: April Dyer

Presentation Title: Electronic Capture and Feedback of Standardized Antibiotic Clinical Indications Data Among Community Hospitals (poster)

Session: Antibiotic Stewardship: Regional

Session Date: Saturday, October 5, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Ahmad Mourad

Presentation Title: Voriconazole for Primary Prophylaxis: A Decade of Trends and Outcomes (poster)

Session: Antifungals

Session Date: Saturday, October 5, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Julie Steinbrink

Presentation Title: A Host Transcriptional Signature for Accurate Diagnosis of Candidemia in the Hospital Setting (oral presentation)

Session: Fungi: Blood, Sweat, and Genes

Session Date: Saturday, October 5, 2019

Session Time: 3:15pm-3:30pm

Session Location: Room 144

Presenter: Christina Sarubbi

Presentation Title: Clinical and Economic Impact of a Ribavirin Intervention Program in Hematopoietic Cell and Solid Organ Transplant Recipients with Respiratory Syncytial Virus Infection (poster)

Session: Viral Respiratory Diseases

Session Date: Saturday, October 5, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Presenter: Michael Yarrington

Presentation Title: Effect of the Duke Antimicrobial Stewardship Outreach Network (DASON): A Multi-Center Time Series Analysis (poster)

Session: Antibiotic Stewardship: Regional

Session Date: Saturday October 5, 2019

Session Time: 12:15pm-1:30pm

Session Location: Hall B+C

Sunday, October 6, 2019
