

SHEA Spring 2023 Conference DCASIP Presentations

April 11-14, 2023, Seattle, Washington

Wednesday, April 12, 2023

Presentation: Leveraging Implementation Science Frameworks to Promote Diagnostic Stewardship for HAI Prevention

Name of Presenter: Sonali Advani

Presentation Type: Invited Talk

Presentation Time: 11:00 AM – 12:00 PM PST

Presentation Location: Columbia BCD

Presentation: Making the Data Talk and Translating It into Action

Name of Presenter: Rebekah Moehring and Rebekah Wrenn

Presentation Type: Invited Talk

Presentation Time: 11:00 AM – 12:00 PM PST

Presentation Location: Elwha AB

Presentation: Prevalence of and Risk Factors for Bacteremic UTIs in Hospitalized Adults without Definitive Signs or Symptoms of UTIs

Name of Presenter: Sonali Advani

Presentation Type: Poster Presentation

Presentation Time: 12:00 PM – 1:30 PM PST

Presentation Location: Regency Ballroom, Poster Board 540

Presentation: Teams in Transition: Increasing Role of Advanced Practice Providers in Inpatient Antimicrobial Use

Name of Presenter: Reinaldo Perez

Presentation Type: Poster Presentation

Presentation Time: 12:00 PM – 1:30 PM PST

Presentation Location: Regency Ballroom, Poster Board 630

Presentation: Hospital Design: key things to consider when designing or renovating the healthcare environment specific to preventing HAIs due to MDR Gram-negative bacteria

Name of Presenter: Sarah Lewis

Presentation Type: Invited Talk

Presentation Time: 1:30PM – 2:30 PM PST

Presentation Location: Columbia BCD

Presentation: Development of a Remote Infection Prevention System: Lessons Learned from the DICON System

Name of Presenter: Deverick Anderson

Presentation Type: Invited Talk

Presentation Time: 2:45 PM – 4:00 PM PST

Presentation Location: Columbia BCD

Thursday, April 13, 2023

Presentation: Measuring the Efficacy of Routine Disinfection methods on Frequently Used Physical Therapy Equipment

Name of Presenter: Aaron Barrett

Presentation Type: Poster Presentation

Presentation Time: 12:00 PM – 1:30 PM PST

Presentation Location: Regency Ballroom, Poster Board 568

Presentation: Implementation of Diagnostic Stewardship in Two Surgical ICUs: Time for a Blood Culture Change

Name of Presenter: Jessica Seidelman

Presentation Type: Poster Presentation

Presentation Time: 12:00 PM – 1:30 PM PST

Presentation Location: Regency Ballroom, Poster Board 553

Presentation: Big Beasts of Antimicrobial Stewardship: Urinary tract infections

Name of Presenter: Sonali Advani

Presentation Type: Invited Talk

Presentation Time: 4:15 PM – 5:45 PM PST

Presentation Location: Elwha AB

Presentation: Proposing the “Continuum of UTI” for a Nuanced Approach to Antimicrobial Stewardship

Name of Presenter: Sonali Advani

Presentation Type: Oral Presentation

Presentation Time: 4:15 PM – 5:45 PM PST

Presentation Location: Quinalt

Friday, April 14, 2023

Presentation: Medical Transport-associated Infection: Making the Case

Name of Presenter: Deverick Anderson

Presentation Type: Invited Talk

Presentation Time: 8:30 AM – 9:30 AM PST

Presentation Location: Columbia A
